

Located within an affluent community outside of Metropolitan Bangkok, Thipmala Center will serve the needs of several corporations. The master plan includes two structures in a heavily landscaped tropical setting adjacent to a lake connected by a courtyard. The Conference Center houses 100 guest-rooms, 4 executive suites, and 4-20 person group rooms. State-of-the-art audio/visual technology is provided throughout the conference facility. The resort atmosphere is evident in the many services and facilities available including a restaurant with bar lounge and private dining rooms. The indoor health club, which offers an indoor track, basketball, aerobic exercise, and locker rooms, steam and dry saunas and whirlpools is complimented by the large outdoor pool, activities plaza, tennis courts and putting green.
